**St. Paul Sales & Use Tax Rate 1%  
Increase to 1.5%  
Effective April 1, 2024**

The sales and use tax is increasing for St. Paul. This 1.5% sales tax will apply to retail sales made into St. Paul. The use tax applies to taxable items used in St. Paul if the local tax was not paid.

**Who Does This Impact:**

- Retailers who have a taxable presence in St. Paul
- Sellers outside of St. Paul who have a taxable presence in St. Paul that:
  - have an office, warehouse, or other place of business in St. Paul
  - perform taxable services in St. Paul
  - ship taxable items into St. Paul
  - are an out-of-state retailer that exceeds MN sales tax thresholds

The 1.00% sales tax increase was approved by voters last year and is designated for road, bridge and park repairs throughout the city.
